

EEE 508: Term Project 2
Grading Sheet

NAME: Pragna Munagala , Manimozhi Ramasamy

Submission Instructions

Submit by the due date via Blackboard under Projects a zipped folder named Lastname1Lastname2_Project2.zip, where Lastname1 and Lastname2 are the last names of the project partners. The submitted zipped folder should contain: 1) Code of Part A App outputting text with names of team members; 2) Code of Part C App including color app basic functionality (developed in Part B) and the added new features; 3) README file describing your designed App including the objectives of the designed App, its applications, new features implemented, how to run it/use it, and a section clearly describing the contributions of each individual in the team; 4) Sample input and output of Part C App.
